Principal

In the 12th meeting of academic council while discussing the agenda item 12:13.

“Amendment in policy regarding third evaluation”, majority was of the view that there should not be 2nd and 3rd evaluation, as answer sheets are shown to students and during that time whatever is decided, should be taken as final marks.

So, to review about the policy about 2nd or 3rd evaluation a committee of the following is proposed:

1. Controller of Examination
2. Dean Academics
3. Dean Student Welfare
4. HOD (ECE)
5. Principal Nominee_____
